All,

#1: As you may have heard we discovered a payroll discrepancy as it relates to a few employees rate of pay. We are in the early stages of looking into this and taking appropriate actions. If you are impacted, I will speak to you personally about this very soon.

#2: I have just been informed that a "source" has contacted media outlets about this payroll discrepancy. Violations of Rules, Regulations, Policies & Procedures including but not limited to Departmental Correspondence and Dissemination of Information will not be tolerated. I will initiate a thorough review of all devices, email, phone and text records. If you have discussed this and/or shared information relating to this or any other departmental matter to anyone **outside of this agency (intentionally or otherwise) respond to me personally, by the end of the day, in writing with specific details.

***Includes but not limited to anyone who is not currently/actively working for the Boxborough Police Department (ie: retiring/retired Admin. Assistant or former employees)*

Sincerely,
-Chief
